# Well Cottage...

## ARRIVAL - Day One

Whichever option you choose, simply arrive at the airport (or we can collect you from your London hotel\*). We'll be there to greet you—then it's a relaxed drive to Well Cottage, with a chilled glass of champagne and a selection of canapés to begin your stay in style.

We cater to different levels of ability. With your personal driver and tour guide on hand, we can help throughout the day and adjust plans as needed—making each outing comfortable, flexible, and enjoyable.

**Laura's Signature Welcome** - Fresh flowers, charcuterie, and chilled champagne waiting in the garden room, just as you imagined England would be.

**Nathan meets every guest personally**, collecting you from the airport, your hotel, or wherever you'd like to be collected from\* (within three hours of the cottage), in the comfort of our executive Mercedes.

*\*Shared cottage bookings only offer pick-up and drop-off at Heathrow Airport.*

## SETTLE IN

Settle in to the cottage with a cup of tea (or something a little stronger) unpack and get over the jet lag by sitting in the garden and listen to the birds sing or go for a countryside walk. Look forward to your first delicious evening meal prepared by your personal chef Laura.

As the sun dips below the Dorset hills, your first evening at Well Cottage begins with a beautifully prepared welcome dinner by your personal chef Laura. Using the finest locally sourced and seasonal ingredients — many from the cottage garden itself — every dish is crafted with care, creativity, and a deep passion for authentic English cuisine.

### Day 2 - Sherborne

After a delicious breakfast, we will head off to explore the charming market town of Sherborne — from its independent high street shops and stunning abbey to a personal guided tour of the 16th century castle with Nathan. A picnic lunch carefully packed by Laura in the castle gardens awaits before crossing the lake to explore the ruins of the original 12th century castle.

### Day 5

#### A Day at Home & Stonehenge

Begin with your complimentary spa treatment, then explore the local countryside on foot before a visit to the historic town of Shaftesbury. The day culminates with an afternoon visit to the awe-inspiring Stonehenge, with a complimentary pub meal on the way home.

### Day 3

#### Corfe Castle & Kingston Lacy

Journey through the Dorset countryside to the 1,000-year-old Corfe Castle, once a royal residence, where you can enjoy a cream tea or a ride on the steam train. On the way home, we visit Kingston Lacy, an elegant 17th century Italian-inspired country mansion set within stunning formal gardens.

### Day 4 – The Roman City of Bath

Let's head for the beautiful Roman city of Bath today for a full day of exploring. After the 1 hour trip through the counties of Wiltshire and Somerset we will arrive in time to ensure you have time to visit the Royal Crescent, Great Pulteney Street, Pulteney Bridge including the weir, The Circus, Bath Abbey and of course the Roman Baths museum, before heading home for a traditional cream tea.

### Day 6 The Cotswolds

We head to the southern Cotswolds to explore two of England's most beloved destinations — the picturesque village of Castle Combe and the historic village of Lacock, birthplace of photography. A picnic lunch, a wander through Lacock Abbey, and a visit to the photography museum round off a truly memorable day.

### Day 7 The Jurassic Coast

Explore the UNESCO World Heritage Jurassic Coast, starting at the iconic Durdle Door before heading to Lulworth Cove and on to West Bay for traditional fish and chips. We round off the day with a visit to Thomas Hardy's cottage, where the great novelist was born and found his inspiration.

### Day 8 Departure Day

It's time to start reminiscing on the good times spent at Well Cottage. We will ensure you're well fed before Nathan delivers you to, either your chosen airport (or your preferred location\*) before saying our heartfelt goodbyes.

\*Please note: with the shared cottage package, pick-up and drop-off are available at Heathrow Airport only.

## Your hosts. Your garden. Your table.

At Well Cottage, exceptional hospitality always comes with a smile — and usually, something delicious.

*"The laughter is genuine. The service is exceptional...  
The memories are yours to keep."*

Known the world over as the home of Downton Abbey, Highclere Castle is a living, breathing piece of English history — still home to the Earl and Countess of Carnarvon today. Beyond the famous rooms lies a hidden gem: a remarkable Egyptian exhibition telling the story of the 5th Earl's role in funding the discovery of Tutankhamun's tomb.
